INSTRUCTIONS
(Read Carefully)

APPLICATION FOR ADMISSION: Students who have not previously been enrolled for graduate study at Trinity University should complete this application form including the application fee of \$30.00 and original signature. Students who previously paid the application fee with an earlier application for graduate study may omit the fee.

In order to process your application, we must have current *official* transcripts of all your college work and your standardized aptitude test scores if required (Consult the Trinity University Bulletin for departmental requirements related to the Graduate Record Exam or Graduate Management Admissions Test or the Graduate Admissions section of our web-site at www.trinity.edu). Graduate applications, transcripts and test scores should be sent to the Graduate Admissions Office for processing. The final decision to admit or reject an application is made by the academic department .

Applicants for non-degree status need only submit an application with the \$30.00 fee and an official transcript showing completion of an undergraduate degree from an accredited institution. The transcript showing the undergraduate degree must be a current transcript issued by the institution that awarded the degree. Acceptance for non-degree status in no way commits the University to later accept a student into a degree program. Non-degree students are only admitted to selected courses in certain departments.

APPLICATION FOR READMISSION: Students who have previously been enrolled for graduate study at Trinity University, but who have not attended within the prior 12 months, should submit this application form without the fee. Official transcripts of all college work taken since last enrollment at Trinity University should be sent to the Graduate Admissions Office. The decision to readmit a graduate student is made by the academic department. A student with coursework over six years old should consult his/her graduate program director regarding revision of degree plans and/or revalidation of the outdated courses.
